

COMMUNITY OUTREACH . . .

Provides a means for the Department of Transportation to offer quality service to the residents of the County by responding to concerns through various advisory groups. These committees typically consist of business people, civic and community leaders, County representatives, and your neighbors.

The purpose of the groups is to bring issues to the attention of appropriate County staff and to advise staff of resident concerns or priorities. Anyone may attend the meetings or apply to join the various groups.

Should you wish to receive a report or be placed on our mailing list for notification of meetings, please call (240) 777-7155 or e-mail mcdot.outreach@montgomerycountymd.gov.
